POLICY DOCUMENT

FOOD AND NUTRITION
St. Joseph’s Preschool Food and Nutrition Policy

Staff at this preschool aim to promote nutritional eating habits in a safe, supportive environment for all children attending this preschool. We believe that early childhood is an important time for establishing lifelong, healthy eating habits and can benefit the children in three ways:
1. Short term: Maximises growth, development and activity whilst minimising illness
2. Long term: Minimises the risk of diet related diseases later in life e.g heart disease, strokes, some cancers and diabetes
3. Advice from speech pathologists and dentists indicates that children should be eating crunchy foods.

Our Preschool will therefore encourage healthy eating habits in our Preschool children.

Curriculum
Our preschool’s food and nutrition curriculum:
- follow DECS Right Bite healthy eating guidelines
- Includes activities that provide children with knowledge, attitudes and skills to make positive healthy food choices and learn about the variety of foods available for good health
- Includes opportunities for children to develop practical food skills like preparing and cooking healthy food
- Integrates nutrition across the curriculum where possible.
- Is part of the Early Years Learning Framework and NQS.
- Promotes the social aspects of eating food

The Learning environment
Children at our preschool:
- Have fresh, clean tap water available at all times and are encouraged to drink water regularly through the day.
- Are encouraged to bring their own named drink bottle,
- Eat in a positive, appropriate, social environment with staff who model healthy eating behaviors

Our preschool:
- Teaches the importance of healthy meals and snacks as part of the curriculum

Food supply
Our preschool:
- Has the following guidelines for families for food brought from home:

  1. **MORNING AND AFTERNOON SNACK TIME** (CHILDREN ATTENDING PRESCHOOL):

Parents and carers are asked to supply fruit and vegetables at fruit time to:
- Provide children with important minerals and vitamins
- Encourage a taste for healthy foods
- No juice or cordial
- Encourage chewing which promotes oral muscle development

**Fresh fruits, vegetables or a slice of cheese are recommended for fruit time**

We understand that at times families may run out of fruit. A healthy sandwich (multigrain or wholemeal bread) with savoury filling or plain unsalted crackers (e.g. Vitawheat) are most acceptable.

**FOODS UNSUITABLE FOR FRUIT TIME:** include packaged foods, cakes, sweets. ALL NUT PRODUCTS. Cordials and sweetened fruit juices are not recommended.
**LUNCH CARE PROGRAM**

For children who access our lunch care program. The Healthy eating guidelines will still be in place.

Parents are encouraged to follow the above guidelines, and ask staff if they have any issues.

A healthy lunch box might include a sandwich, fruit, yogurt, vegie sticks etc. Please do not include chocolate, museli bars, roll ups etc.

Children are able to purchase from the school tuckshop, whose foods are prepared in accordance with the Right Bite Healthy Eating strategy

Please ask staff if you are unsure.

No spending of money for tuckshop or ordering of slushies/iceblocks

- Our Kindergarten will ensure a healthy food supply for preschool activities, celebrations and events, strictly limiting availability of high fat, high sugar, or processed foods like chips, pastries, cakes, lollies, crisps and soft drinks to no more than twice a term, in accordance with the Healthy Eating Guidelines.

- We will Display nutrition information and promotional materials about healthy eating, and provide information updates in newsletters.

**Food safety**

**Our preschool:**

- Promotes and teaches food safety to children during food learning/ cooking activities.
- Provides adequate hand washing facilities for everyone
- Promotes and encourages correct hand washing procedures with children.
- Whenever possible we provide recipes or tastings for families.
- List any food allergies of children in medical folder and consult it before any cooking experience.
- As a health and safety conscious kindergarten, we ask that no item containing nuts (incl. museli bars, Nutella spread etc. be sent as a snack or lunch item.

**Food-related health support planning**

**Our preschool:**

- Liaises with families to ensure a suitable food supply for children with health support plans that are related to food issues

**Working with families, health services & industry**

**Our preschool:**

- We will invite parents and caregivers to be involved in the review of our whole of site food and nutrition policy
- Provides information from health professionals to families and caregivers on the Healthy Eating Guidelines through a variety of media such as:
  - Newsletters
  - Policy development/review
  - Information on enrolment
  - Pamphlet/Poster displays
    - Encourage families to support our healthy eating food policy by reinforcing it at home.

Endorsed by staff & School Board, to be reviewed in 3 years.
